

One Utility Bill makes bills hassle free and moving less stressful.

We work with One Utility Bill so you have one less thing to worry about during your move.

You'll hear from One Utility Bill before your move-in date to let you know:

- Your current utility suppliers
- Your options for switching
- Or the option to sign up for a handy One Utility Bill package

One monthly bill, zero hassle

- ☒ All your bills in one monthly payment
- ☒ The team handles setup with your chosen suppliers
- ☒ Never deal with a utilities company again

Why customers love One Utility Bill

Unlimited Energy

Just like an unlimited mobile contract, use as much energy you need without worrying about the bills.

More time, less stress

Take away some of the moving stress and set up your new bills in one step.

Easier finances

Simplify your bank statement, budget more easily and spend less time thinking about direct debits.

Pick and mix your perfect bills package

All packages include energy, everything else is up to you.
There's nothing to pay until your tenancy start date either!

Choose from:

Unlimited Energy

A service you can't get from a supplier!
Use as much gas and electricity as you need
with no over-usage charges, ever.

OR

Capped energy

Exactly what you'd get directly from a
supplier, except it's wrapped into your
bills package so it's easier to deal with.

Superfast broadband

Choose from tons of options at
great prices from Sky, Virgin
Media and BT to get the
broadband speed you need.

TV licence & packages

Watch things live with a TV licence
and choose from the best Sky TV
package deals available for
endless entertainment options.

Water

Bundle your water in with energy
and other services to make your
bills even easier.
